[RUSH] MESSAGE:

There are 16 original claims in the original patent grant and they have all been cancelled. Claims 17-21 have been added, but these claims have been renumbered as claims 1-5. Please advise that in Re-Issues, any new claims to be added by the reissue application will/should follow the last renumbered claim in the original patent grant. Please advise/correct index of claim.

Thank you

[XRUSH] RESPONSE:

That is correct. The ~~17-21~~ claims were renumbered by my LIE who refused to convert the case without it changed the numbers.

INITIALS: MRB

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
